

# Princess® MedallionClass™

featuring the OceanMedallion™

It's been called the next wave of travel, but you'll call it the easiest and most relaxing vacation you've ever had. Read on for how MedallionClass helps you make the most of your time away. Exclusively on Princess.

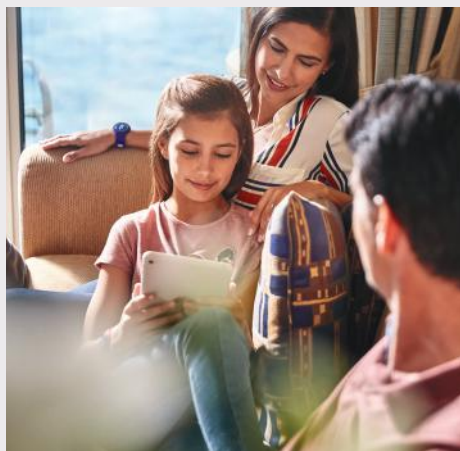

## It all begins with the OceanMedallion™

This quarter-sized device, free for all guests, enables Princess MedallionClass™ experiences. Carry it with you everywhere, and enjoy all the experiences it unlocks – even your stateroom door!

## Go from curbside to poolside in a breeze

You get **OceanReady®** at home and receive your **OceanMedallion** in the mail.\* You're surprised at how fast embarkation is and how soon you're sitting by the pool.

\*Home shipping available for U.S. residents only.

## Stay connected with the best Wi-Fi at sea

You buy a package for **MedallionNet™** and marvel at the land-like connectivity that lets you call or video chat with family back home, post on social media and stream your favorite shows, movies and sports.

## Find your friends, family and way around the ship

You get turned around on your way to dinner, so you use your phone's **OceanCompass™** app for point-to-point directions. Later, you easily locate your kids and text with your husband for free.

## Drinks and more delivered to you, wherever you are

The book you're reading is too good to put down, but you're thirsty. You order your favorite drink and snack through the **OceanNow™** app and look up to see a crew member headed your way with your order.

## Play whenever and wherever you like

You never miss a chance to try your luck in the casino and love that **Ocean® Casino** lets you wager real money on slots, poker, roulette and other games anywhere on board.
